PRODUCT FEATURES

- Inline Carbonation™ – creates a more consistent over-run, quality and yield
- AccuFreeze™ – maintains product consistency, delivering the most consistent frozen beverage, drink after drink
- RapidFreeze™ – Cold chamber system improves recovery and draw-time, while reducing the compressor workload, and increasing dispenser durability
- Electronic Simplicity offers easy-to-use keypad interface
- Optimal Use of Counter Space with minimum ventilation of two inches side or back
- Scroll™ Compressor – provides more reliable operation, and fewer moving parts than reciprocating compressors
- Customizable individual barrels allows for hundreds of different drink profile combinations, including sugar free options
